

## **PRESS RELEASE**

### **iBAHN® Announces 18<sup>th</sup> Consecutive Profitable Quarter**

#### ***Company Continues to Add Delighted Customers While Continuing Its Long-Term Profitability***

*Salt Lake City (August 11, 2008)* – iBAHN, the worldwide leader in digital entertainment and Internet solutions for the hospitality and meeting industries, today announced its 18<sup>th</sup> consecutive profitable quarter. Beginning in 2004, iBAHN has grown its business by a cumulative 71% and has increased its hotel-based footprint by more than 25,000 rooms just in the first two quarters of 2008. Since the beginning of 2004 through the end of June 2008, iBAHN has increased its total hotel base from 655 to 1,641 properties, a 251% increase.

“As a company, iBAHN has consistently focused on developing the new technologies required by savvy business travelers and meeting attendees,” notes David W. Garrison, the company’s chief executive officer. “We will continue to bring these new technologies to our hotel partners so that they, in turn, can provide their guests with leading edge entertainment and technology solutions.”

The company currently serves leading hoteliers who have nearly 400,000 guest rooms in 28 countries, as well as corporations and meeting planners thousands of times each month with its secure applications. iBAHN’s secure high-speed Internet solutions, as well as its digital entertainment solutions, are used 1.8 millions times each month. The company has received brand endorsements from most of the leading hotel brands in the world and, in the most recent quarter, iBAHN signed new contracts with hoteliers in the Americas, Australia, Europe and the Middle East.

#### **About iBAHN**

The company is the only global provider of digital entertainment and Internet solutions for the hospitality and meeting industries. Monthly, more than 1.8 million travelers and meeting attendees rely on iBAHN to increase productivity with secure high-speed Internet access options in nearly 3,000 hotels, conference centers and meeting spaces in 28 countries worldwide. iBAHN’s digital entertainment and information services feature leading programs from ETV in Europe, Asia, Australia and India. Operating one of the largest MPLS networks in the industry, the company provides technology solutions to more than 50,000 events annually, ranging from small group meetings to major industry conferences, while serving more than a third of Fortune 100 corporations.
