

PRESS RELEASE

iBAHN Posts Record Sales in January

Strong Financial Position and Continuous Investment in Technology Development

Continues to Build Loyalty and Trust in its Global Products and Services

Salt Lake City (February 18, 2009) – iBAHN, the worldwide leader in digital entertainment and Internet solutions for the hospitality and meeting industries, announced today that it has achieved a record increase in year-over-year bookings in January 2009. With more than \$8 million in new footprint sales, new product sales, and client renewals, the company’s January revenues for new sales were four times greater than in the previous January.

“Hoteliers are looking for every edge to increase occupancy and maintain rates during these challenging times,” noted Gregory G. Hodges, iBAHN’s president. “iBAHN’s high quality solutions designed around hotelier and guest needs have been well received. We strongly believe that our financial strength is a result of our customers’ loyalty and our future-oriented solutions.”

The company’s January revenues are a mix of new footprint sales in its high-speed Internet access (HSIA) solutions, conference and meeting services, and new products including its digital information and entertainment solution, ETVi HD. iBAHN counts among its clients the world’s leading hotel brands, hospitality ownership companies, management groups and corporate meeting planners.

About iBAHN

iBAHN is the only global provider of digital entertainment and Internet solutions for the hospitality and meeting industries. Monthly, more than 1.7 million travellers and meeting attendees rely on iBAHN to increase productivity with secure high-speed Internet access options in more than 2,200 hotels, conference centers and meeting spaces in 28 countries worldwide. iBAHN’s digital entertainment offering, ETVi, offers hotel guests leading digital video and entertainment services. Operating one of the largest MPLS networks in the industry, the company provides technology solutions to more than 50,000 events annually, ranging from small group meetings to major industry conferences, while serving more than a third of Fortune 100 corporations.
